

POWERING DIGITAL TRANSFORMATION

Bizvu **FORMS**

The single pane of glass data solution.

Bizvu **FORMS** empowers you to build and interact with contextual forms and screens for your staff, customers and suppliers. Helping to digitize and automate processes internally and externally. They can be mapped down to a field level or grouped fields, feeding into one, or multiple systems. It's easy to build your own data forms, feedback to systems like a CRM in real-time and add the logic needed for technical enforcement in the business. Easily update and access your information, improve data analytics and remove data overload.

KEY END-USER BENEFITS
